Run To Win Camp Refund Policy 2024

Did your summer plans change? No problem!

At least 7 days prior to the start of camp – If for any reason you need to cancel your camp registration at least 7 days before the first day of camp, you will receive a refund for your child’s registration, not including the \$5 administration fee. If you need to cancel your child’s camp registration, please contact the Director of Camps.

Less than 7 days prior to the start of camp – If for any reason you need to cancel your camp registration within the 7 days immediately prior to the start of your child’s camp, refunds will not be given. At the 7 day mark, Run To Win has finalized all our camp logistics including your child’s attendance and unfortunately cannot provide a refund.

No Show – If your child is registered for a camp and does not attend for any reason and/or does not notify Run To Win that your child will not be attending at least 7 days prior to the start of the camp, refunds will not be issued.

- If your child is not able to attend a portion of the camp week no pro-rated fees or refunds will be provided.

Cancellations less than 7 days prior to the camp or no shows may be considered for a refund if there are genuine extenuating circumstances but cannot be guaranteed. Contact the Camp Director for more information.
